EXPERIENCE

EQM Capital

Co-Owner

Urbana-Champaign, IL

November 2021 - Present

- Established an investment club LLC and an investment portfolio. Utilize weekly meetings to vote upon stock picks and discuss investment strategy and market trends to ensure our fund's stability, longevity, and growth.
- Collaborate with team members to conduct in-depth research and analysis, identifying high-potential stock picks and making data-driven investments.

Richard's Body Shop

IT and Communications Manager

Chicago, IL

May 2020 - Present

- Rebuilt our website, leveraging Google Ads to significantly expand our online presence and attract a broader customer base.
- Developed and spearheaded the implementation of an inventory management system and scanner, increasing the efficiency of parts ordering, tracking, utilization, and billing.
- Collaborate closely with industry leaders, including Tesla, Rivian, and Jaguar Land Rover, to ensure strict certification compliance. Successfully completed both the Tesla and Rivian certified collision repair training programs.
- Effectively oversee the end-to-end repair process for over 50 Rivian vehicles, including check-in, writing estimates, and invoicing for over 200 vehicles, maintaining a strong partnership with Rivian through exceptional service and swift repair solutions.
- Refined a comprehensive plan for an efficient layout and workflow process for an additional 25,000-square-foot dedicated electric vehicle repair facility.

Packix Repository

Developer

Skokie, IL

August 2019 - Present

- Developed and sold ten HTML, CSS, and JavaScript widgets for jailbroken iOS devices that received over 3000 purchases.
- Ensured customer satisfaction by continually soliciting feedback and implementing features through consistent software updates.

Illini Chabad

Intern

Urbana-Champaign, IL

August 2022 - May 2022

- Oversee day-to-day operations within the building, including preparing meal setup for 150 students.
- Maintain and monitor safety procedures for all users and religious practitioners of the building's facilities.

R&D Management

Real Estate Assistant

Skokie, IL

March 2021 - March 2022

- Optimized consumer impressions by creating and maintaining property listings, photographs, and leasing documentation.
- Guided customers smoothly through the application, approval, and lease signing processes by answering all their questions.
- Conducted in-person tours of houses and alternate rental properties and created 3D virtual tours for prospective residents.
